

The LCA Member Web Portfolio

Show them what you can do!

A picture is worth a thousand words! Showcase your work to potential clients with your own mini-portfolio on LCA's web-site. Priced at just \$250 per year (January 1 – December 31), the portfolio template gives you the opportunity to place six photos and captions on your own portfolio page. The page also includes your firm name and contact info. Best of all, you can change pictures and captions on your own as frequently as you like! We'll provide a password and instructions.

In addition, when potential customers are searching for a landscape company on the "Find a Landscape Professional" search engine, the results provide a link to your portfolio page. To preview a sample of the Portfolio page, please visit: <http://www.lcamddcva.org/professionals/member.cfm>
